

Australian Disc Golf Championships

Invited Players

(subject to change)

Hello Australian Disc Golf Community!

As you may know, we recently announced a new registration process for the 2022 Australian Disc Golf Championships. The new registration process is modelled after the 2022 PDGA World Championship. The changes to the registration process will ensure the best players from each division are given first opportunity to register. The Australian Disc Golf Championships is the pinnacle of our sport in Australia and we wish for the competition to reflect this.

The first tier of registration will open on 1-May at 8pm Australian Eastern Standard Time to a select list of 35 invited players. Invited players will receive an email confirming their invitation.

The invites were chosen carefully using the following criteria:

1. Reigning National Champions in each division
2. Reigning MPO & FPO State and ADG Major Champions
3. Australia's top rated female disc golfers
4. Discretionary invites provided by the Tournament Directors to individuals who have made significant contributions to the disc golf community on the Sunshine Coast.

The full list of invited players can be found on page 2 of this memo.

We ask that any questions or enquiries about registrations be directed to info@adgc.com.au as messages sent through any other channels may not be returned or addressed. We also ask that any discussions regarding this topic be respectful and considerate to everyone.

Sincerely,

Adam Lowe and Patrick Ferris, Tournament Directors
